Lincolnshire fund report 2021

Introduction by Jo Ray, Head of Pensions, LPF

At the end of 2020/21, the value of the fund was £2.7 billion* – an increase of £524.3 million from the previous year, more than recovering the market losses of 2019/20 which resulted from the start of the pandemic.

As for most people, things were different this year, with our Pensions Committee meeting virtually but managing to continue its business as normal. Some asset changes were implemented over the year, with investments into a multi asset credit fund managed by Pimco, investments into the Border to Coast UK Equity fund and a residential property fund managed by Hearthstone. One long-standing manager, Invesco, was terminated and the funds reallocated into the Border to Coast Global Equity Alpha fund and to the Legal and General Future World Fund. Our administration provider, West Yorkshire Pension Fund (WYPF), also maintained its usual level of service as staff adapted to working from home. The Lincolnshire Pension Board, representing scheme employers and members, also moved to virtual meetings, and continued its role in overseeing the governance and administration of the fund. An annual report on the work of the board is included within the full pension fund annual report.

The government's requirement for local government pension funds to pool assets has continued to keep us very busy, with Lincolnshire working closely with the 10

partner funds within Border to Coast Pensions Partnership Ltd. The company has continued to grow as the partner funds have transferred assets, with £21.7bn of assets under management as at 31 March 2021, including £1.35bn of the Lincolnshire Pension Fund's assets.

Stewardship and responsible investment are an integral part of the fund's investment strategy and decision making, and the fund works closely with Border to Coast to ensure that it invests in a sustainable way. Through Border to Coast, and also in its membership with the Local Authority Pension Fund Forum (LAPFF), the fund engages with companies on key environmental, social and governance issues, such as carbon reduction, executive pay, human rights and fair accounting. The fund is always keen to hear its members' views on stewardship, so please contact us at pensions@lincolnshire.gov.uk with any comments you may have. Please note – this email address is **not** for any pension benefit queries – please use the normal contact email of pensions@wypf.org.uk.

This summary gives a flavour of our full **Annual Report and Accounts**, which will be published on our shared website at wypf.org.uk. Please do take a look, and let me have any feedback.

**At the time of writing, figures are in draft, due to the late receipt of valuations from some of the Fund's illiquid investments.*

There were 73,944 members and beneficiaries (plus 383 undecided leavers) and 249 contributing employers at 31 March 2021. The fund is reasonably mature, with pensioner and deferred members (those that are no longer in the scheme but will be entitled to a pension at some point in the future) making up 68.8% of the overall membership.

Membership trends over a five-year period

Performance

Our **investment return** was 23.3% in 2020/21, ahead of the return for the fund's strategic benchmark of 22.1%. Market returns recovered strongly over the year, bouncing back from the lows of March 2020, with the biggest impact being the out performance of the Border to Coast Global Equity Alpha Fund.

Actual investment performance against the fund's strategic benchmark performance is set out in the table below. The longer-term return, whilst slightly behind the benchmark, is well ahead of the long-term required return of 4.0%, set by the fund's actuary (as per the March 2019 triennial valuation).

Period	Fund Return	Benchmark Return
1 year	23.3%	22.1%
3 years annualised	7.9%	8.3%
5 years annualised	9.2%	9.3%
10 years annualised	7.9%	8.0%

Investment management arrangements

The arrangement for management of the fund's assets, in place at 31 March 2021, is set out below. The £2.3m within the segregated mandates table is due to the timing of dividends received and outstanding tax claims due following the termination of this mandate.

What to do if you become a scam victim

Being scammed can take a huge toll on people's mental health. **Mind** and **Victim Support** have confidential helplines that provide support to consumers who have been hit and you can get more information from their websites.

There are some immediate practical steps you can take if you think you've been scammed however. Call your bank directly, first checking its website for the correct number to ring. If the fraud involved any of your personal information, consider signing up for a Protective Registration with fraud prevention organisation **Cifas**, which costs £25 for two years. Cifas is an independent, not-for-profit organisation working to reduce fraud and related financial crime in the UK. Check out their website at www.cifas.org.uk for information.

Change your passwords for any accounts that have been compromised due to fraud - and any that use the same password. Set up two-factor authentication wherever possible to provide another layer of protection.

Be ScamSmart – don't fall for scams in the first place

The Financial Conduct Authority (FCA) and The Pensions Regulator (TPR)'s ScamSmart campaign warns you to be on your guard if you receive unexpected offers about your pension. If you are ever in doubt about a pension offer, visit www.fca.org.uk/scamsmart
